“ I'm so sorry for your loss. Anna was very special to me. Throughout the years she has giving me a lot of wonderful wisdom and some wonderful laughs together. She was the warmest and most kind hearted person I have every met. Always welcomed you with a smile and a hug and kiss. I had the pleasure of seeing her a lot this summer even shared a pizza with her during a thunderstorm which she hated those kind of storms. I truely will miss you, love you so much eve
