"Our mom had a fierce faith and extraordinary love for her family. We witnessed a radiant glimpse of His Majesty through the way she lived her life and how she treated others. “ Dear Dawn and Kim, my memories go way back to when your Aunt Rosemary and I would come and play with the two of you when you were little. Your Mom always welcomed me into your home through the years. She was always so full of energy and kept such a beautiful yard. I know she will be dearly missed by you and your families. I'll keep you in my prayers that God will help you through this difficult time.

“ Dear Kim, Dawn and the entire family of Helen. My heart broke when I came to work on Fri. and heard the news. I truly loved working with your mother in physical therapy. Her goal was to get back home and she was so close to getting there. God had other plans for Helen. He wanted her to return "HOME" with him. I am sure He told her, "Well done, my good and faithful servant". Helen was beautiful inside and out and so very thankful for every moment. She just beamed when she was able to show you how she was physically getting better. I was so blessed to have been able to work with Helen and she will always have a place in my heart. You are all in my thoughts and prayers. God Bless.
