

## Jane T. Krawczak

April 15, 1953 - April 18, 2019

Loving sister, aunt, and friend passed away Thursday, April 18, 2019 at Union Court Assisted Living. Age 66 years. Daughter of the late Donald and Catherine (Weighman) Krawczak, Jane was born April 15, 1953 in Flint, MI. She participated in college programs related to veterinary medicine, metallurgy, and human resources. Jane was proudly employed at General Motors and gained respect as a pourer and tester of iron, and assembly line worker. She further earned a position as a lab technician in metallurgy. Jane was known for her love of animals: those found in the wild, and especially those with whom she shared her home. She adventured in the outdoors by motorcycling, camping, fishing, swimming, and visiting and photographing natural wonders. Jane took pride in the purchase and enjoyment of her “sugar sand beach house” (Jane’s Dream) in Greenbush, MI.

Surviving to cherish her memory are one sister, Mary Beth (John) Dzirniz, Freeland, MI, her nieces, Sara Dzirniz, Plymouth, MI, Emily (Rafael) Soto and their daughter, Elina, Cloverdale, CA, and many relatives and special friends.

Honoring Jane’s wishes, cremation has taken place. A celebration of Jane’s Life will take place at a later date. Those planning an expression of sympathy may wish to consider a memorial to the National Multiple Sclerosis Society, Saginaw County Animal Care & Control, Union Court Assisted Living (St. Charles), or Americans Home Health & Hospice Care (Saginaw).

“ To you Jane,  
I first met Jane as a volunteer from the GM job bank assigned to Lost Lake Scout Reservation, a Boy Scout camp. She spent many years helping with improvements and maintenance projects. Jane, with the help of MSU students, authored a conservation plan for LLSR. Janice and I kept in contact with her after LLSR and she even came to other camps we moved to, to lend a hand. We even spent time with Jane at the beach house. Jane you will always be in our hearts and our prayers.  
Love always,  
Ranger Red and Jan
