“ I will always hold Kathy & her husband, Gary, in my heart. We met in our young, teenage years and became lifelong friends. We attended the same high school. Kathy and I would sit after school and watch Gary practice for Arlington Heights Gymnastic Team. Gary won the State Championship Title in Tumbling for Arlington. The three of us. . .and many others. . .were members of the Rolling Meadows Teen Club in the 1950's which was held in a big red barn in Rolling Meadows. . .such fun. We married within six months of each other and lived in Rolling Meadows and started our families. We shared the same values of faith in God, love of family and friends, and giving a helping hand to others. My sympathies to their children, Kelly, Kevin, and Kristin and all who loved her.

Forever cherishing and grateful for the times we spent together. . .Carroll Rocco Burchert

“ Kristen and family, I am so sorry to hear about the passing of your mom, Kathy. She was definitely one special lady with a heart of gold. Being around her was always a guaranteed good time due to her amazing sense of humor. I will fondly remember her with what she did best and that was making people smile.
