“ Love and sympathy to Mary and all the family. Wish we still had State St UMC so we could celebrate Mona's life with a dinner. Mona and I shared patients as she came to Saginaw General Hospital where I worked, as visiting nurse she took over their home care. She always spoke her mind. Lots of good memories.

“ Mona was one of the strongest women I have ever met! Working for Mona for at least 8 years, we shared so many happy and sad memories. You were fair, you were blunt, you were an inspiration to me. I'm so sorry I didn't make the time to visit. Lesson learned, not to let life get in the way of making time for those that are important to you. Fly high beautiful lady. You are now with our Lord and all of your loved ones. No doubt, Ivory was waiting for you at the rainbow bridge! What a reunion that must have been. Always, in my heart!

“ RIP Mona, I miss the days you'd meet me as I walked in the door to start my usually long shifts asking me where I've been because you missed me, or knowing I was on your hall that night and you'd buzz me down just to ask me how it's going or the nights you'd come down just to share a snack before you climb into bed, you were truly a good person & I'm gonna miss you! never stop shining, up there
